The first issue of the newsletter of the grossly disorganised Northern New Territories Hash House Harriers. Read it and weep.

## RUN 1381, 22 JULY 2009

Big Moany returned to the scene of an earlier run of his at the Yuen Long nullahs. First on the scene was the GM, who had just discharged himself from hospital, and was sporting a nose splint. A typically baleful gesture from a saddo who clearly needs to get a life. Then Eunuch turned up touting a can of trampjuice, eagerly snapped up by the GM, who'd been told to avoid alcohol because of his antihistamines. It turned out he had decided not to bother with them. Then Gin & Vomit arrived in her perky yellow jalopy, jealously eyeing up the trampjuice - alas, there was no more.

The pack eventually headed off up to the end of the road and straight into the hills. Dingaling and Rogan

Josh, who had arrived late, were seen heading into the shiggy to Dingaling's insistent mantra: "Just push through it Josh. Hurry up, look there are torches ahead. We can still catch them." \*Sigh\*

Well I didn't actually do the run so can't report on it. Go West and Eunuch were first back in about 50 minutes, reporting that it was a fairly easy runners' run, i.e. not much shiggy. Serbian Bomber got lost but nobody cared, and Dingaling failed to catch anyone.

Runners: Mango Groove, Go West, Eunuch, Gloria, Billy Jizz, Liberace, Golden Jelly, Walky Talky, Rogan Josh, Dingaling, Sam, Serbian Bomber, Britarse, Gin & Vomit. Attendees: Luk Sup Gow, Golden Balls, Overdue, Fartypants, VD.
